

"I could never take orders from anyone"

- GAUTAM ADANI

India undoubtedly has given to the most notable billionair GAUTAM ADANI. He is an Indian business tycoon who is the founder of the Adani group a multinational conglomerate company headquartered in Ahmedabad, India. Adani's are the second wealthiest family after the Ambani's, but unlike other business tycoons, Adani didn't inherit the Fortune from his father. Gautam's journey to the top wasn't easy. He is self-made billionaire understanding the potential of an opportunity.

is important. Adani is an visionary. Mr. Gautam Adani is one such shining star of Indian Economy when we read the life story of a successful business-man. He gives us a lot of insight into how they have managed and overcome the challenges in their lives. These lessons help us manage our lives and plan a better future for our loved ones. He reveals his strong will, business acumen, and hard work, which he used to build his stair of success.

Adani is a man with a knack to recognise an opportunity when it comes knocking at your door.
